Directions for buses

Arrive: Please plan to arrive at Bremerton High School Theater at:

9:30 for the 10:00 AM show

12:00 for the 12:30 PM show

Driving Buses: Buses will need to enter the bus parking area through the High Ave entrance that borders the west side of Bremerton High School. Buses may park in this drop off area for the duration of the performance for the 10:00 am show, after the show the buses will exit on Ohio Street.

Note for 12:30 pm performance: BSD transportation will have buses arriving at 1:50 pm for the school's afternoon pick-up. Because of the tight transportation schedule, BHS school staff might be repositioning your buses during the 12:30 show. Teachers will exit students through the same doors that you entered through, and your buses will be waiting for your students just outside of these doors.

Driving Small Buses or Van: Take Ohio Ave from 13th street on the east side of BHS, enter the lower parking lot from Ohio Ave; circle the bus to disembark at the glass doors marked entrance on the map. There is handicapped parking in this lot, if full, vans will need to find parking on the street and return after the performance. Exit parking area on Ohio Ave.

There will be PDT volunteers waiting to take you into the building. Do not enter the school from the main doors at the front of the school, school is in session, and we cannot disrupt regular classes.
