Entrance Information

Car Parking

We'll be using parking at local churches and the BHS Senior and Junior parking lots please be respectful of the Church's property, park away from the entrances to the church to allow patrons of the church to park nearer those entrances.

Please keep your number of vehicles a minimum and consolidate as much as possible.

****** When walking to BHS, walk on the east side of the school, on Ohio Ave. Please locate on the school map the entrance **and** enter Bremerton High School at this door. There will be chaperones waiting to take you into the building. Do not enter the school from the main doors at the front of the school, school is in session, and we cannot disrupt regular classes.

Please note: some of the church parking is not very close to BHS. If you do not want your children to cross busy streets, you can pull into the Ohio Ave drop off area along the East side of the school and drop your students there and then park the car. If you choose to do this, you must provide a parent chaperone to monitor the students at BHS while the drivers park the cars.

See list below for parking assignments:

Parking is limited this year, and some may need to find street parking. Encourage your families to arrive early to allow for extra time to find parking if needed.
